What technology or markets do you focus on?

Crown produces and sells a broad range of forklifts, batteries, chargers, automation, and fleet management technologies that are revolutionizing the material-handling industry.

Describe your company culture

Crown Equipment Corporation is one of the world's largest material handling companies, with a reputation for award-winning product design, advanced engineering and technology, and superior after-sale service. More than 85 percent of Fortune 500 companies use Crown forklifts. With over 18,000 employees, 19 manufacturing facilities, and 500 retail locations across 84 countries, Crown has a vast global presence.
